## About IAGG- FGE

The mission of the International Association of Gerontology and Geriatrics (IAGG) and the Federation of Geriatric Education is to promote the highest levels of achievement in gerontological research and training worldwide. <https://IAGG.site>

## The e-TRIGGER Program

In response to the COVID-19 pandemic, we have transitioned our renowned training programs to an online format "e-TRaining in Gerontology and GERiatrics (e-TRIGGER)" program. <https://iagg-fge.org>

## HSeT Educational Partnership

The Swiss Health Science eTraining Foundation (HSeT) develops e-learning programs that are tailored to the needs of specific groups of trainees as defined by the institutions themselves. <https://hset.org>

## Who can apply?

### **Physicians**

Medical doctors interested in aging and care of the old adults and who are on track to achieve academic tenure, professorship, or high-responsibility clinical positions.

### **Healthcare Professionals**

The programme is also suitable for healthcare non-physician professionals, from all horizons, involved in the care of older adults.

### **Students in Health Professions**

The program also suits for medical students who are interested in geriatric medicine and gerontology but do not have access to specialized instruction at school.

# Program Format

12 monthly online training sessions, with participants from all different geographic time zones connected simultaneously. Each live monthly session lasts 3 hours and is recorded to enable later viewing, in case of absence.

1

## Interactive Live Sessions

Join the monthly online training sessions (**12 in total**) addressing important topics in geriatric medicine and gerontology. Connect with course instructors and fellow trainees in real time.

2

## Assignments

Regional team activities on distinct geriatric topics in which you will interact with trainees in your language. Annotated papers and case studies as pedagogic tools to enhance your knowledge.

3

## Knowledge Assessment

Your knowledge will be evaluated with quizzes designed by our expert tutors, based on the key messages of each session. Active participation in live sessions will also be considered by the tutors.

# Program Certificate

Earn a prestigious IAGG-World certificate of participation upon successful completion of 10 out of 12 course quizzes.

A total of 60 hours training certificate, which corresponds to 36 hours of lectures per year, plus personal self-learning.

The certificate features a dark blue header with the IAGG logo (a globe with a flower) and the text "AFMEE Africa, Middle East and Europe e-TRIGGER e-TRaining In Gerontology and GERiatrics". Below the header, the text reads: "CERTIFICATE of GRADUATION", "This is to certify that", "**Elisa Dominguez**", "has successfully completed the distance learning course", "**IAGG eTRIGGER AFMEE 2023-2024**", "International Association of Gerontology and Geriatric e-Training In Gerontology and GERiatrics Africa - Middle East - Europe", "From May 2023 to April 2024 (Total of 60 hours & personalized training)". At the bottom, there are three signatures and names: "Prof. José Jauregui, President IAGG-World", "Prof. Jean-Pierre Michel, Director Federation of Geriatric Education", and "Prof. Mario Barbagallo, President IAGG-European Region".
